

# Questions about High School and College?

The Clara Abbott Foundation

**CALL THE EDUCATIONAL HELP DESK!**  
A free resource for Abbott parents and their children

## WHO USES THE HELP DESK?

Abbott employees, retirees and their children nationwide can call or e-mail a counselor about any type of education-related question or issue.

## WHO ARE THE EXPERTS?

The Foundation has partnered with College Coach, the nation's leading provider of educational services to give you access to leading educators, including former directors of admissions and financial aid at colleges from across the country.

## EXAMPLES OF QUESTIONS TO ASK

- What courses should my daughter take in high school to best prepare her for college?
- When should I start saving for college?
- How can my daughter improve her homework and study skills?
- How can my son get accepted to a school that has wait listed him?
- How can my son access additional scholarship money for college?

## ASK THE EXPERTS

The Educational Help Desk gives you ongoing access to experts for your educational questions, including providing advice on:

- Saving for college
- Homework and study skills
- High school planning
- Extracurricular options
- Identifying appropriate schools
- Strategizing for standardized tests
- Understanding the financial aid process
