

THE CLARA ABBOTT FOUNDATION

Nixsa Garcia
Barceloneta, Puerto Rico

Nixsa was nominated for and received a Clara Abbott Connection Award for all of her efforts as The Foundation's champion for employees in Puerto Rico. We appreciate Nixsa's efforts in identifying advocates from each site and department who help promote Clara Abbott Foundation programs to Abbott employees throughout Puerto Rico. Nixsa also recognized and alerted The Foundation consultant when additional information was needed, and promoted The Foundation's programs and services during employee meetings.
