

THE CLARA ABBOTT FOUNDATION

Pressoir Belance
Abbott Park, Illinois

Pressoir was nominated for and received a Clara Abbott Connection Award for his outstanding support of The Foundation's services and offerings, particularly our scholarship program. This past January, when the currency in Venezuela changed, Pressoir took the initiative to research the change in order to help us coordinate and process our scholarship applications based on the new currency. His continued efforts have provided us with the information needed to apply new country salary structures to these countries, allowing us to incorporate income maximums by country.
