

Life is full of uncertainty, and events such as an unexpected illness, essential home or vehicle repair, or even a global pandemic, can come out of nowhere and impact a family's ability to afford their basic needs.

While we can't take away life's unexpected financial challenges, our need-based financial grants and university scholarships can bring help and hope to those struggling. Please don't hesitate to contact us or visit clara.abbott.com to learn more about our free and confidential services.

Over the last 80 years, The Clara Abbott Foundation has helped tens of thousands of Abbott families facing uncertain financial futures. We may be able to help you, too. Please display this calendar as a reminder that we are—and continue to be—here if you need us.

*Our services are available to eligible Abbott employees, retirees and their dependents.
